### **1. Minutes of last meeting**

Minutes of previous meeting were agreed as accurate, proposed by Mary Ireland and seconded by Nathalie Lawrence.

### **2. Summer Party**

Neil explained that the date for the summer party would have to be changed due to an open day at the college the following day. Neil also explained that communication between SAPA and the college was difficult as he didn't have a point of contact which had led to information not being added to the weekly newsletter.

Neil and Lynda suggested that the bar at the summer party could remain open till 1.00 am. Stella agreed to contact Trafford Council for advice as the college is located close to houses and the department may not issue a licence till 1.00 am without recommendations.

Lynda agreed to organise a tasting session with Parveen, the chef chosen to cater the summer party. It was also suggested that we have fewer raffle prizes but prizes that were better quality.

**Next Meeting – Tuesday April 15<sup>th</sup> 2020 at the Prep School.**
