Uniform Sales

A further uniform sale will take place on 2nd November from 3pm with Neil, Mark and Sheila offering to help. The uniform will also be packed up for Sierra Leone.

100 Club

It has been agreed that the SAPA 100 club will not have an impact on the College Sports 200 club. Neil will email all the names on the SAPA GDPR list to let them know that units are available to purchase. There are 100 units available and there are only 15 taken so far.

The next draw will take place on 2nd November and it is hoped that more units will be sold after that. There is the potential to raise an additional £2,700 a year from the 100 club.

Over a year there could be £6,000 with £3,000 distributed at prizes with the draw happening 3 times a year.
